

## The Seven-Mile Miracle Viewer Guide

### Session 7: Reunion

#### Mile 7- Reunion

*“Open our eyes to see the resurrected Son of God.”*

#### Discussion Questions:

1. How was Jesus reunited with His Father in Luke 23:46?
2. In the video, Pastor Furtick said, “The Resurrection isn’t an event; it’s a person.” How does this change your perception of Jesus’ resurrection?
3. How did Jesus reveal Himself to His disciples in Luke 24:30-35? Why do you believe that He waited until He broke bread with them after the seventh mile to do so?

4. How have you personally recognized Jesus in your life?
5. At what point would you consider yourself “reunited” with Him?
6. In your own words, describe the pattern of God taking, blessing, and breaking His chosen people. How has Jesus take, blessed, and broken your life?
7. Just as He did with Jesus, God breaks us with a purpose. What purpose do you believe God has for the breaking stages of your life?
8. As we complete the seventh mile together, how has Jesus revealed Himself to you in a fresh way? What is one paradigm shift that you have experienced over the Seven-Mile Miracle journey? This week commit to sharing this shift with someone close to you.
